Lead Safe Ohio Program

Signed into law by Governor Mike DeWine on Jan. 6, 2023, House Bill 45 provides \$150 million to be used in coordination with the Ohio Department of Health for an American Rescue Plan Act lead poisoning prevention and mitigation program.

- Ohio Department of Development's Lead Safe Ohio Program
 - Funds will be utilized in a comprehensive approach through various activities to ensure the program's success.
- Legislation set-aside for the Ohio Department of Health
 - Funds will be utilized to continue the Lead Safe Housing Fund Program.
